**Graeme BOURK**

My principal place of residence is in the Rangitāiki Community Board area.

My name is Graeme Bourk, I've lived in the town of Edgumbe for 43 yrs and have served on the community Board for several years. I have been very vocal about flooding in and around

Edgumbe, and with the help from a listening council, the storm water has been upgraded to a much larger system. I have also had both rail bridges removed in the town, and now I want to see both concrete support structures removed by Kiwi rail, at no expense to the rate payers of the ward. Also I solved the problem with the water bursting through the road outside the Matata Hotel, with the help of the present C.E.O. I have other unfinished projects in the ward that I would like to complete. No challenge is to big. If I have your confidence I would appreciate your vote.
