

Whakatāne District Council
Whakatāne-Ōhope Community Board
Electing 8 Members

Steve NAPIER

My principal place of residence is not in the Whakatāne-Ōhope Community Board area.

I have lived in the Whakatane- Ohope area for 17 years and very much appreciate the beautiful environment of the area.

My current occupation is serving as a board member and I have a number of years of governance experience in various local organisations as well as the Government Superannuation Fund in Wellington.

For the first term of the merged community board I believe it will be especially important that there is no bias towards either the Whakatane or Ohope area and that the best ideas get supported.

I am keen for the small budget that the community board has to spend, to be spent wisely, and for the betterment of the wider community.

If elected I look forward to communicating with the council staff on matters which affect the Whakatane- Ohope community.
