Muriwai Drive, Whakatane

Muriwai Drive is located from The Strand at the eastern end of the Whakatāne CBD to the Whakatāne River entrance. There are various reserves along the length of Muriwai Drive from the Fishing Club to the road end that are popular and used for many different recreational activities, including the boat ramp, especially during the summer months.

To protect public health and safety, particularly in relation to road safety, and to protect against nuisances (including access issues for other recreational users), overnight parking is prohibited along the length of Muriwai Drive, including all reserves along the length of this road.

Kōhī Point Scenic Reserve, Whakatane

Kōhī Point Scenic Reserve is located at the road end of Kōhī Point Look Out Road between Whakatāne and Ōhope. This is a culturally significant site with a statutory acknowledgement as set out in the Ngāti Awa Claims Settlement Act 2005. It is also a reasonably narrow road with limited parking on the road's edge.

To protect cultural values and to protect access issues that may become a nuisance to other users, overnight parking is prohibited in all parts of Kōhī Point Scenic Reserve.

Mahy Reserve, Ōhope

Mahy Reserve is located on Pohutukawa Ave, Ōhope at the intersection of Pohutukawa Ave, West End Road and Ōhope Road. This is a popular beach side reserve and is used for a wide range of recreational uses, including community events, family picnics, children's play area and the Surf Lifesaving Club. The car park on this reserve is reasonably narrow with limited parking.

To protect health and safety (particularly road safety) and to protect against nuisance effects such as accessibility issues for other recreational users, overnight parking is prohibited in all parts of Mahy Reserve.

Wharekura East Reserve

Wharekura East Reserve is a small reserve with a car park at 177A Pohutukawa Ave, Ōhope located adjacent to the tennis courts and opposite Ōhope Beach School.

For road safety reasons and for accessibility reasons (restricting access to the beach, tennis court users and school users), overnight parking is prohibited in all parts of Wharekura East Reserve.

Ocean Beach Park, 243 Pohutukawa and Otao North Reserves

This is a long narrow stretch of road side reserve extending from the eastern boundary of Maraetōtara Reserve, Ōhope to the eastern end of Ocean Road, Ōhope.

To protect this sensitive coastal environment and to protect accessibility by other users, overnight parking is prohibited in all parts of these reserves.

Goodwins Landing

This is a small pull over area on the Ōhiwa Harbour margin that is used heavily for parking by landowners travelling by boat to Ohakana Island. It is located off Waterways Drive, Ōhope.

To protect against nuisance, specifically accessibility to parking for Ohakana Island residents, overnight parking is prohibited at Goodwins Landing.

Uretara East and West

Uretara East and West are reserve strips on the Ōhiwa Harbour Margin accessed by Harbour Road and Ōhiwa Parade, Ōhope. These reserves are planned to form part of the Ōhiwa Bay Walkway and overnight parking on these reserves would restrict access creating a public nuisance. Both these reserves are also sensitive coastal environments.

To ensure these reserves remain accessible, overnight parking on these sites is prohibited.

Otao South Reserve

Otao South Reserve is a reserve strip on Ōhiwa Harbour running along Harbour Road extending from approximately Liddon Grove to Anne Street. This reserve has a stormwater and flooding issue and therefore is not suitable for regular or heavy vehicle use.

Overnight parking is prohibited on the Otao South Reserve to protect the reserve and the amenity of the reserve. This is specifically to minimise nuisance effects resulting from vehicles causing rutting of the reserve that is prone to flooding issues as this is likely to impact on the accessibility and enjoyment of other recreational users.

Ōhiwa Harbour Wharf carpark

This is a car parking area in front of the Ōhiwa Harbour Wharf, a popular recreation area. As well as being a boat launching area and a recreational wharf, the sailing club and a popular restaurant is also situated here.

Overnight parking is prohibited in all areas of the Ōhiwa Harbour Wharf carpark for public road safety, and to protect against nuisances such as accessibility by other recreational users.

Braemar Springs (Wairere-a-tu), Otakiri

Braemar Springs is located on Braemar Road, Otakiri. Braemar Springs is a water supply facility. It is also a place of historic and cultural significance to Ngāti Tūwharetoa as identified in the Ngāti Tūwharetoa Claims Settlement Act 2005.

Overnight parking in this area would impede emergency access to the water supply facility and may compromise cultural values. For these reasons overnight parking is prohibited in all areas of Braemar Springs.

Western Coastal Recreation Reserve (excluding No.2 carpark)

The Western Coastal Recreation Reserve is a coastal strip running from Otamarakau to Golf Links Road and is approximately 30 km in length. This is a sensitive coastal environment identified in the Western Coastal Recreation Reserve Management Plan, made under the Reserve Management Act 1977. The areas along the coastal strip are small and there is reasonable recreational use of the reserves, particularly for fishing.

With the exception of No.2 car park, overnight parking is prohibited along the Western Coastal Recreation Reserve to protect from public nuisance, specifically accessibility issues, and to protect the sensitive coastal environment.
