*My principal place of residence is not in the Ohope Beach Community Board area.*

Ohope is an outstanding natural playground that we are privileged to enjoy. It is our responsibility to ensure that this is sustained for future generations.

I am standing for the Ohope Beach Community Board, because I believe I can make a solid contribution to enhance Ohope's valuable assets. I have a successful management background, along with local Council experience.

I believe ensuring core infrastructure should be Council's primary focus. Ohope Beach still has existing issues regarding storm water, drinking water and sewerage disposal. As your Community Board rep, I would ensure Ohope's voice would be heard in Council.

I have a young family. My son is a new entrant at Ohope Beach School and I am passionate about maintaining this awesome place for him and his mates.
