

Whakatāne District Council

Electing 6 Members

**Daimen JONES**

My principal place of residence is in the Rangitāiki Community Board area.

My wife and I have twin boys that you may see cycling across the plains in the morning on their 23km commute to school.

Together we have an established dairy support business that services the Bay of Plenty.

I am involved in a number of community groups ranging from hall committees, Scout Group leader and rugby refereeing.

By seeking election to the community board, I believe I will add diversity and community spirit to the group.

I am also very aware as ratepayers we definitely want our funds to be utilised to enhance our communities and support services.
