

Whakatāne District Council
Whakatāne-Ōhope Ward
Electing 5 Councillors

Mawera KARETAI

My principal place of residence is in the Whakatāne-Ōhope Ward area.

I offer my skills and energy to support the people and communities of Whakatāne and Ōhope in achieving their potential. Let me tell you who I am.

First, I'm a Resource Management Commissioner. I have a Bachelor of Applied Management, and will graduate in November with a Masters in Environmental Management. An experienced governor, I sit on the Whakatāne High School Board, and Government Ministers have appointed me to other Boards.

Second, I'm an achiever - in business, successfully applying entrepreneurship, imagination and commonsense in equal measures; also on community issues, for example building the current campaign to two-lane Pekatahi Bridge.

Third, most importantly, I'm a parent. I want Council to say and do things which increase local confidence and help business grow jobs, for our future generations.

I would like you to give me just one of the five votes you have to choose councillors in the Whakatāne-Ōhope ward.
