

Whakatane District Council
Galatea-Murupara Ward
Electing 1 Councillor

Alison SILCOCK

My principal place of residence is in the Galatea-Murupara Ward area.

I have lived with my husband Dave in Galatea for many years. We have four adult children.

The one term I have served as Councillor for the Galatea-Murupara Ward has been most

rewarding. I am the Ward Member appointed to the Murupara Community Board, also the Deputy Chairperson.

I have endeavoured to make myself available to all my constituents.

With diverse communities within this ward our future lies in working together and sharing our strengths. We must support each other to build strong community pride. I plan to continue to liaise through the WDC and the Murupara Community Board to ensure our voice continues to be heard.
