

SCALE BAR: 0 0.5 km

**Matata Debris Flow Mapping**

**Hazard map showing area of debris inundation potential  
Map 1 of 2**

SCALE: 1:10,000

PROJECTION:

New Zealand Transverse Mercator 2000

REPORT: DATE:  
Oct 2012

**EXPLANATION:**

Mapped extent of debris inundation hazard. Data derived from aerial photography flown 24-25 May 2005 and lidar surveys collected in 2006 and 2011.

Displayed imagery from the 2011 lidar survey

Imagery and lidar data provided by Whakatane District Council
