

Whakatāne District Council
Whakatāne-Ōhope Ward
Electing 5 Councillors

Scott JARRETT

My principal place of residence is in the Whakatāne-Ōhope Ward area.

Services and infrastructure remain my priority on Council. At this time major storm water projects are underway to protect our community from flooding with some contracts coming back in

house to improve service delivery and cost effectiveness, along with other major projects underway or in the pipeline. It's about balanced consideration and prioritisation, I have been a part of a council that has been mindful of affordability and conscious of rating impact. Staying within budgets and even having small surpluses highlights good management and prudent stewardship. A competent and collaborative staff team is working well with Council embracing change for the better. I have an excellent meetings attendance record and am please to have served as Deputy Chairman of Policy and as Councils representative on the Museum Board and Arts Council. I am a third generation Jarrett on Council and your vote will allow me to continue serving this community.
