The applicant is responsible for ALL clean up and removal of waste and litter generated by the event. Please note failure to remove litter will incur additional costs. Depending on the size and nature of your event, you may be required to submit a Waste Minimisation and Management Plan with your application. The bookings team will advise upon receiving this application.

Health & Safety

A Health and Safety Management Plan is required for all events that take place on Council premises or in public spaces. Event organisers need to ensure that a Health and Safety Management plan is approved by Council in advance of the Event being held. The safety plan will ensure the smooth and safe running of the event and to make it memorable and fun for everyone involved.

Regardless of the type of event you are holding, here are some points to consider adding to your written Health and Safety Management Plan. Contact us to request a template or refer to our guide found on https://www.whakatane.govt.nz/events/event-health-and-safety:

- A description of the Event
- Medics and First Aid
- Crowd control
- Electrical Sound and lighting
