Name of person making further submission: MARIA HARURU SMITH  
[full name]

This is a further submission in support of (or in opposition to) a submission on the following change proposed to the plan, (the **proposal**):

Whakatāne District Plan, Plan Change 2 - 23 and 45 Keepa Road

I am, tick whether you are:

- a person representing a relevant aspect of the public interest. In this case, also specify the grounds for saying that you come within this category; or
- a person who has an interest in the proposal that is greater than the interest the general public has. In this case, also explain the grounds for saying that you come within this category; or
- the local authority for the relevant area.

I support (or oppose) the submission of:

[name and address of original submitter and submission number of original submission if available]. Harry and Annie Laopaki's submission.  
1739 SH 30 R.D.2 Whakatane 3192

The particular parts of the submission I support (or oppose) are:

[clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal]. Soil contamination.

The reasons for my support (or opposition) are: [give reasons]

My grand parents were Pakitua and Matoroa Wharewera  
we frequently stayed at their place which was  
located next door to the Marae. The roads at  
the marae and homestead were paved with coal dust  
from the Whakatane Board Mills. I am a survivor  
of cancer (breast) which is rampant in my immediate  
family (Please refer to attached page).

I seek that the whole (or part [describe part]) of the submission be allowed (or disallowed)  
[give precise details]:

Brother Charles Toihau Stewart - deceased.  
lung cancer and throat cancer. member (SWAR)  
Brother Phillip Kingi cancer deceased.  
Sister Elizabeth Walker - breast cancer.  
Sister Materoa Ashby - breast cancer.  
Brother Rangī Kingi - stomach cancer.

We all use to play in this coal dust,  
not realising that it was contaminated.

My mother was Gabrielle Kaperere Kingi  
daughter of Pakitua and Materoa Wharewera  
this is only from my immediate whanau.  
My mother's sisters and brothers and their  
whanau are also affected by cancers.

I believe it is too much of a coincidence.
