The particular parts of the submission I support (or oppose) are:

[clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal].

The adverse effects on our cultural practices from a large influx of people if the proposed residential subdivision were to proceed.

The reasons for my support (or opposition) are: [give reasons] I fear we will have to curb or modify our traditional practices to accommodate the influx of different peoples. Last week we had my cousin Hare Tawhai's tangi over 4 days. We gather in large numbers, at times make a lot of noise, at times an occasion will call for quiet. We may be up all through the night making preparations. We have seen the racism from nearby residents directed at Orini Kura students, and they only operate 9-3. Like the Kura, we also have our haka teams we enter into Te Toki. The waiata and haka practices

run into the small hours of the night. It works the other way too, when we need quiet - how can we control excess noise from these people especially during solemn times, powhiri, church, tangi

I seek that the whole (or part [describe part]) of the submission be allowed (or disallowed) [give precise details]:
