

PEACE STREET STORMWATER+ROAD SAFETY

Temporary road closures
17 JUNE – 19 JULY

Upgrade

What's happening?

We're improving stormwater drainage and increasing road safety in the area.

This involves major temporary layout changes to nearby streets.

In the final stage of this project we're installing a roundabout and raised pedestrian crossings at the Peace Street / McGarvey Road intersection.

FROM THIS MONDAY

- Peace Street - CLOSED (residents only)
- McGarvey Road - PARTIALLY CLOSED (residents only from Sullivan St to Peace St and from Pohutu St to Peace St)
- Detours via Pohutu Street and Apanui Avenue

Please drive with caution through the area
