SECTION B—LOCATION

- Provide a site plan/location plan clearly showing the proposed location of connection to the public line.
- Provide measurement on the plan indicating how far you want the connection placed from the L/H or R/H boundary of the property.
- **Applications will not be accepted without a site plan and measurement.** If a site plan is not available, an aerial print can be requested at Customer Services. Provide measurements on the aerial print above.

- Form completed and signed
- Site plan attached
Do not accept the application for processing until all required information and signature is provided.

Applicant's Signature _____ Date _____
