

Whakatāne District Council's Guest WiFi usage agreement

By signing below you are legally binding yourself to the following fair usage conditions; this agreement is between Whakatāne District Council here after referred to as WDC and the undersigned referred to as You or Your:

1. Your equipment complies with New Zealand regulations concerning WiFi and internet usage.
2. You agree to not perform any act which is or may be deemed illegal either in New Zealand or within any other nation's jurisdiction should your actions have an effect in that nation.
3. You agree to act responsibly as deemed solely by WDC, for example accessing R Rated websites would be deemed irresponsible resulting in action by WDC which may not be limited to cutting off access.
4. Any data sent or received by you while using the WiFi supplied by WDC will be screened by WDC and at WDC's sole discretion your WiFi access maybe terminated if we believe misuse has occurred, WDC are not limited solely to the removal of access should misuse be suspected.
5. Please beware that WDC will monitor your usage but does NOT apply filtering for malware, virus, phishing or any other protection to you the user. It is strongly recommended that when you use WDC's WiFi, you do so via a proxy, firewall and with anti-virus and anti-malware protection however this is wholly your responsibility. WDC will not accept any liability resulting from the usage of its WiFi by you.
6. WDC may, at its sole discretion, terminate your access to WDC's WiFi.

I _____ agree to the terms set out above.
