Diversity, Equity and Inclusion Policy

We've developed a draft Diversity, Equity and Inclusion Policy and want to know what you think.

This new policy guides us on how we can support and celebrate diversity, inclusion and equity in our work and everyday behaviour.

Now it's over to you to review it and join the conversation.

Visit koreromai.whakatane.govt.nz/dei-policy to read the draft policy and tell us what you think!

Stay cool and safe this summer

Know the pool rules

Visit whakatane.govt.nz/swimming-pool-fence

Ready to make a splash this summer? Don't forget to check your pool fencing.

If your pool can hold more than 40cm of water (yes, even the fun ones from big NZ retailers) it needs a compliant safety barrier — some may even need building consent. The rules apply to all pools, including portable, inflatable, or temporary. Play it safe, check your fencing, and enjoy a safe summer.

Eastern Bay Spatial Plan

Consultation closed

A big thanks to those of you who provided feedback during this process.

We've had some great conversations across our communities, and we really appreciate the time you took to make a submission.

We'll have an update on what we heard in early 2025.

For more info, visit ourplacesebop.org.nz

Quay Street stop closure.
