

Te Pūaha General Fund 2025

The Te Pūaha General Fund supports programmes, projects, and activities that are based around and use the waterways of Whakatāne District. Things like water sports, educational projects, safety programmes, or environmental initiatives. If it's related to Whakatāne District's waterways, it's eligible.

If you would like to apply for funding as an individual, and you are looking to do a water-related project that is focused on research or personal development, please consider applying to our Te Puaha Scholarship Fund.

If you are unsure if your project matches our criteria, contact the Community Funding Advisor at grants@whakatane.govt.nz

Guidelines:

- We prefer to fund projects and activities involve and/or will benefit our waterways
- This fund cannot be used to finance operational costs for organisations. Note: The purchase of equipment will be considered
- We recommend the amount of funding you apply for is up to \$5,000. Applications for amounts higher than that may be considered on a case-by-case basis.

What we do fund:

We fund projects, programmes, and activities that that benefit the Whakatāne District, its residents, and its communities. Applicants must be active in the Whakatāne District to be eligible.

In addition, we prefer to fund applicants that:

- Have a clear plan in their application, identify exactly how funding will be used, and provide a budget for the project/activity
- Demonstrate that there is a community need and/or community support for the project/activity
- Support vulnerable and marginalized people and groups in our community
- Align with Whakatāne District Council's values.

What we don't fund:

- Salaries
- Projects and activities that do not directly benefit Whakatāne District's residents and communities
- Applications more suited to funding by other organisations
- Programmes that duplicate existing initiatives
- Funding for projects that have already taken place.

Whakatāne District Council does not usually fund commercial or private organisations, and activities that promote religious or political purposes. However, exceptions will be considered on a case-by-case basis.

Council also does not fund legal expenses, medical expenses, debt repayment, statutory functions and public services (e.g. education and health care), purchase or promotion of alcohol and tobacco, and physical works (e.g., improvements to community buildings) that do not have permits prior to application.

How are decisions made

Applications are assessed based on how they will benefit the Whakatāne District's residents and communities. This includes factors like how many people your project/activity would reach, and how it would improve the lives of those people.

Applications are also assessed based on how well they meet the guidelines and criteria, and how much information is provided in the application.

Application review and assessment

We'll carry out an initial check of your application to make sure you're eligible. If there is any more information we need, we'll be in contact.

The Community Funding Committee then will meet to discuss applications and allocate funding to applicants. After this meeting, you will be notified of the outcome of your application via email.

The Committee may require some conditions to be met for funding they allocate to be released. For example, providing information or clarification, paying outstanding bills, or filing outstanding reports. If this happens, you will be notified when you are told your application has been successful.

The total amount of funding requested often exceeds the amount of funding we have to distribute. Successful applicants may receive less funding than they request.
