

Reorua Contestable Fund

*Ko tōku reo tōku ohooho, ko tōku reo tōku māpihi maurea.
My language is my awakening, my language is the window to my soul.*

The Reorua Contestable Fund champions the use of Te Reo Māori in the Whakatāne District. The funding focus is for events, projects, and activities that elevate and uplift Te Reo Māori. This funding is an initiative between Te Rūnanga o Ngāti Awa, Te Rūnanga o Ngāti Manawa, and Whakatāne District Council.

Te Reo Māori is a taonga, unique to Aotearoa, belonging to us all. Its use, alongside English, defines our distinct identity on the world stage. At Whakatāne District Council, we are committed to celebrating and supporting the growth of Te Reo Māori across our rohe/district. Whakatāne District Council is proud to have two of our town centres recognised as Reorua townships, Whakatāne in 2023, and Murupara in 2024.

Your project or activity should align with our whāinga (goals):

- To improve understanding and use of Te Reo Māori in our communities
- To make Te Reo Māori seen, heard, felt, spoken and valued throughout the Whakatāne District
- To develop resources and programmes that revitalise, and encourage, the use of Te Reo Māori all around the Whakatāne District
- To increase opportunities for people to engage with and learn Te Reo Māori.

Guidelines:

- We recommend the amount of funding you apply for is less than \$5,000. Applications for amounts higher than that may be considered on a case-by-case basis.
- Applicants will be able to make a short presentation to our Community Funding Committee on the project. You can let us know if you want to make a presentation in your application.

How to make an application:

Application forms are completed online through our partner, Smarty Grants. If you need help with your application, or you are unable to complete an application online, please contact the Community Funding Advisor at grants@whakatane.govt.nz for help.

You will find the link to the application form on our website. To complete your application form, you will need evidence of the costs of your project/activity (quotes or invoices). You will also need an annual report or financial statement if you are applying for an organisation.

What we do fund:

We fund projects, programmes, and activities that that benefit the Whakatāne District, its residents, and its communities. Applicants must be active in the Whakatāne District to be eligible.

In addition, we prefer to fund applicants that:

- Have a clear plan in their application, identify exactly how funding will be used, and provide a budget for the project/activity

- Demonstrate that there is a community need and/or community support for the project/activity
- Support vulnerable and marginalized people and groups in our community
- Align with Whakatāne District Council's values.

What we don't fund:

- Salaries
- Projects and activities that do not directly benefit Whakatāne District's residents and communities
- Applications more suited to funding by other organisations
- Programmes that duplicate existing initiatives
- Funding for projects that have already taken place.

Whakatāne District Council does not usually fund commercial or private organisations, and activities that promote religious or political purposes. However, exceptions will be considered on a case-by-case basis.

Council also does not fund legal expenses, medical expenses, debt repayment, statutory functions and public services (e.g. education and health care), purchase or promotion of alcohol and tobacco, and physical works (e.g., improvements to community buildings) that do not have permits prior to application.

How are decisions made

Applications are assessed based on how they will benefit the Whakatāne District's residents and communities. This includes factors like how many people your project/activity would reach, and how it would improve the lives of those people.

Applications are also assessed based on how well they meet the guidelines and criteria, and how much information is provided in the application.

Application review and assessment

We'll carry out an initial check of your application to make sure you're eligible. If there is any more information we need, we'll be in contact.

The Community Funding Committee then will meet to discuss applications and allocate funding to applicants. After this meeting, you will be notified of the outcome of your application via email.

The Committee may require some conditions to be met for funding they allocate to be released. For example, providing information or clarification, paying outstanding bills, or filing outstanding reports. If this happens, you will be notified when you are told your application has been successful.

The total amount of funding requested often exceeds the amount of funding we have to distribute. Successful applicants may receive less funding than they request.
