

## *Te Pūaha Scholarship Fund*

The Te Pūaha Scholarship Fund is open to individuals who are involved in, or would like to be involved in, activities and projects linked to the Whakatāne District's waterways and marine environment.

**This fund is for anyone interested in water-related activities, and who wants to improve their education, personal development, training, skills or experience.**

The scholarship is valid for study, research, training or related activities that take place in and/or benefit the Whakatāne District. We are keen to support activities that have the potential to develop future leaders that will be champions for marine, waterways and coastal environments.

Scholarships are made available to individuals. Organisations seeking funding support for water-related projects should consider applying to the Te Pūaha General Fund.

If you are unsure if your project matches our criteria, contact the Community Funding Advisor at [grants@whakatane.govt.nz](mailto:grants@whakatane.govt.nz)

## Guidelines and criteria:

- Applicants must live in the Whakatāne District
- Applications that are strongly linked to the uniqueness of our environment, our people and our local culture are encouraged.
- Study and research projects will also be supported.
- We recommend the amount of funding you apply for is up to \$5,000. Applications for amounts higher than this may be considered on a case-by-case basis.

To view Council's vision and values, look at our [Long Term Plan](#).

## How to make an application:

**Application forms are completed online through our partner, Smarty Grants. If you need help with your application, or you are unable to complete an application online, please contact the Community Funding Advisor at [grants@whakatane.govt.nz](mailto:grants@whakatane.govt.nz) for help.**

You will find the link to the application form on our website. To complete your application form, you will need evidence of the costs of your project/activity (quotes or invoices). You will also need an annual report or financial statement if you are applying for an organisation.

## What we do fund:

**We fund projects, programmes, and activities that that benefit the Whakatāne District, its residents, and its communities. Applicants must be active in the Whakatāne District to be eligible.**

In addition, we prefer to fund applicants that:

- Have a clear plan in their application, identify exactly how funding will be used, and provide a budget for the project/activity
- Demonstrate that there is a community need and/or community support for the project/activity

- Support vulnerable and marginalized people and groups in our community
- Align with Whakatāne District Council's values.

## What we don't fund:

- Salaries
- Projects and activities that do not directly benefit Whakatāne District's residents and communities
- Applications more suited to funding by other organisations
- Programmes that duplicate existing initiatives
- Funding for projects that have already taken place.

Whakatāne District Council does not usually fund commercial or private organisations, and activities that promote religious or political purposes. However, exceptions will be considered on a case-by-case basis.

Council also does not fund legal expenses, medical expenses, debt repayment, statutory functions and public services (e.g. education and health care), purchase or promotion of alcohol and tobacco, and physical works (e.g., improvements to community buildings) that do not have permits prior to application.

## How are decisions made

**Applications are assessed based on how they will benefit the Whakatāne District's residents and communities. This includes factors like how many people your project/activity would reach, and how it would improve the lives of those people.**

Applications are also assessed based on how well they meet the guidelines and criteria, and how much information is provided in the application.

## Application review and assessment

We'll carry out an initial check of your application to make sure you're eligible. If there is any more information we need, we'll be in contact.

The Community Funding Committee then will meet to discuss applications and allocate funding to applicants. After this meeting, you will be notified of the outcome of your application via email.

The Committee may require some conditions to be met for funding they allocate to be released. For example, providing information or clarification, paying outstanding bills, or filing outstanding reports. If this happens, you will be notified when you are told your application has been successful.

The total amount of funding requested often exceeds the amount of funding we have to distribute. Successful applicants may receive less funding than they request.
